

## Health Report for Bronze Level Certificate.      Guidance Notes for Vets

The French Bulldog Club of England will only accept results on the numbered form supplied by the French Bulldog Club of England

All dogs must have their microchip number scanned by the vet and it must correspond to the one written on the form before examination is commenced

The form is self explanatory and the Vet is to required to comment on --

1. Basic auscultation
2. Visually/auditory assessment of dogs breathing
  - a) at rest
  - b) after 5 mins of exercise
3. Visual assessment of Nostrils, Skin, Ear Canals,
4. Normal clinical veterinary assessment of the eyes  
Please comment if Entropion or Ectropion is present or if there is corneal scaring that may in your opinion been caused by these conditions.
4. Palpable abnormality of spine (scoliosis / kyphosis )
5. Physical assessment of patella .Please record grade according to Putnam score
6. Establish hearing or not
7. Tail, Testes & Temperament.
- 8.. General comments

The following clause appears on the form

*“ The above certificate and its results are not a guarantee against any hereditary or acquired conditions that may develop in the future“.*

This examination will probably take approximately 20-30 minutes .

WHITE copy of the form should be retained by the vet,

YELLOW copy should be given to owner for their records

PINK copy given to owner who should forward it to the FBCE to claim their Bronze Health Certificate
